*Review: Its supposed to be handled and moved around, I get it, but I dont like it. Having to hold the book sideways the entire time never feels right and a lot of the pictures are aligned vertical so you have to keep flipping it. If its supposed to spark imagination I dont understand why all the pages are black either. That aside, I like James Victore. For...*

*Description: In his first book, iconoclastic designer James Victore gives fans a survey of his work and his no-holds-barred take on the practice, business, and teaching of graphic design today. Known for making vivid, memorable, and often controversial work, Victore has sought comrades, not clients—brave, smart collaborators who have encouraged him to reinterpret...*
